To request registration: Complete the form below; leave no blanks; must be legible; one form per person. In comments, tell us if your request is contingent upon someone else also being registered and provide their name, or anything else you think we need to know about you. Sorry, no pets. ADA accessibility is not guaranteed along the road or trails. Mail your completed form and payment-in-full (\$50 check made out to "Jefferson Land Trust") to:

Leslie Aickin 320 Meadow Road Port Townsend, WA 98368

If the field trip is full before we receive your request, your name will be put on the wait list (if you have requested that) and your check held in case a space becomes available. If we cannot register you, you will be notified and your check will be voided and shredded. If you have to cancel your registration, you will receive a 50% refund if we are able to fill your space from the waitlist. Otherwise, your full payment will be forfeited.

You will be notified by email of your registration or waitlist status. As the trip-date nears, you will receive specific trip information including what to bring (i.e., water, binoculars, mag lens, etc.) and a participant's list to help you pre-arrange your transportation and lodging arrangements.
